- An internet based collection of information on locations; weather, crew, services and suppliers.
- Supply digital images of locations via the ICFC website, fax or email.
- Serve as liaison between local, state, federal agencies and the private sector.
- Assist in securing permits and clearances through our one-stop permit office.
- Continually work to create a greater local awareness of the economic benefits filming in the region and how the local businesses are directly affected.
- Evaluate and report the financial impact of location filming on a yearly basis.

The Imperial County Film Commission (ICFC) is recognized by the California Film Commission, as the official advocate for filming interests in our region. The ICFC is also a member of the FLICS (Film Liaisons in California, Statewide).

A FLICS designation recognizes the staff of the ICFC for their knowledge of all issues that affect production in their area. The FLICS certification serves as a "Seal of Approval" to the film industry and assures film companies that a FLICS location representative understands the film business and will be able to capably assist their company's on-location efforts.
