Commercial Filming Guidelines for Salvation Mountain

Salvation Mountain Inc. is a non-profit tax exempt charity (EIN # 45-4106863) that is charged with the preservation and promotion of the life works of Leonard Knight, including the site of Salvation Mountain at Slab City, California (“The Site”). Leonard Knight’s message is one of Universal Love. The Board of Directors for Salvation Mountain Inc. works to continue that message. The Film Coordinator for Salvation Mountain Inc. will work with Filmmakers to create the best experience for all parties involved in the Production, including the Filmmakers, the production team and the public at the Site.

The following guidelines shall apply to all commercial and student requests for filming (“Filmmakers”), at The Site, including making film and/or digital recordings for TV, still shoots, student films, reality shows, features, music videos, commercials, and documentary productions (“Productions”). Amateur photographs taken for purely personal, non-commercial use are exempt.

Application:

All Filmmakers must make a written request for a filming application for Productions at The Site. The application must be provided to the Film Coordinator of Salvation Mountain Inc. by fax, email, or in person to Salvation Mountain Inc. Film Coordinator before the Production starts at the Site.

Permits and Insurance:

It is the responsibility of all Filmmakers to obtain film permits from the Imperial County Film Commission office and the Niland Fire District. All Filmmakers shall provide proof of minimum \$1,000,000 liability insurance.

Suggested Donation:

Suggested donations take into consideration a number of factors, including the size, duration and complexity of The Production, the number of vehicles, personnel and equipment to be used at the Site. One of the most significant factors is the Production’s interference with public’s access to the Site. The Film Coordinator has the authority to limit the scope of the shoot, to be including in artistic discussions with the Filmmakers and to enter into sub-contracts at the Site with the Filmmakers on behalf of Salvation Mountain Inc. should the Production go beyond the scope of the initial application.

Suggested donations are as follows:

½ day (6 hours) \$600.00

Full day (up to 12 hours) \$1,000.00

Hourly rate: \$150.00

Oversight:

The location manager shall be on site for the duration of The Production, including set up and strike, monitor activity and compliance with all applicable permits and report to the Film Coordinator. The Filmmakers shall work with the location manager to determine the logistics of the shooting schedule and to create the best experience of Leonard Knight’s creation at the Site for all parties and visitors at the Site during the Production.

Copies of Product:

Part of the mission of Salvation Mountain Inc. is to document and preserve the work of Leonard Knight. Salvation Mountain Inc. requests copies of photographs and videos, where feasible, to use in print and digital communications. All copies will be properly credited.
